Dear Steve,

In deference to, and respect of, you and Tamue, I would like to hereby withdraw my resignation as an SGE.

I continue to hope that you can get to the bottom of how and why I have been "disavowed by the federal Environmental Protection Agency"

Dear Dr. Green,

We are looking into the events of this week to determine what additional information we can provide to you. We hope to have a follow-up call with you very soon. In the interim, we will honor your request to resign from your SGE appointment effective today. However, we wanted to check whether you would like to withdraw your resignation until we have a chance to talk.

Thanks.

Steve

Hello Dr. Green. Yes, this is the link for the ethics training. Your membership does not expire until 12/10/2022. Our deputy ethics officer will contact you in the next several months to determine if you would be interested in a 3-year extension. Until then, please ensure to complete the ethics training and send to Dr. Sharlene Matten and Bill Woogie your certificate of completion.

Thank you.

Dear Tamue,

I hope this email finds you well. I received this email today, and wondered whether I should do this training, or whether I am no longer a Special Government Employee. When you've a moment, might you please let me know?

with thanks and best regards,
